Abbott Laboratories -Depakote ER

Bristol-Myers Squibb -Resident Poster Session and Award Supporter

Our company's mission is to extend and enhance human life by providing the highest-quality pharmaceutical and related health care products. We pledge -- to our patients and customers, to our employees and partners, to our shareholders and neighbors, and to the world we serve -- to act on our belief that the priceless ingredient of every product is the honor and integrity of its maker.

Centra Health

Centra Health's Mental Health Services provides the most comprehensive programs for children and adolescents in the Commonwealth. They include Bridges Treatment Center (long term residential), Child & Adolescent Acute (crisis stabilization at Virginia Baptist Hospital) and Rivermont Schools (special education in 8 locations). Centra also offers affordable and effective chemical dependency treatment at Pathways Treatment Center (www.recoveratpathways.com). Call 434-200-4447 for more information.

Eli Lilly & Company

Lilly is a leading innovation-driven pharmaceutical corporation. We are developing a growing portfolio of best-in-class, first-in-class pharmaceutical products by applying the latest research from our own worldwide laboratories, by collaborating with eminent scientific organizations, by making use of the most up-to-date technological tools, and by providing exceptional service to our customers. Through these internal programs and external initiatives, we're seeking answers for some of the world's most urgent medical needs. As our products save and improve lives, they also save overall health care costs: they are often less expensive than other forms of health care, such as surgery and hospitalization.
